MEMORANDUM FOR: Acting Director of Central Intelligence

FROM: [redacted]
Director, Intelligence Community Staff

STAT

SUBJECT: [redacted] FY 1984 Supplemental for the Department of
State Bureau of Intelligence and Research (INR)

STAT

1. Action Requested: That you sign the attached letters to the
Intelligence Oversight Budget Subcommittee Chairmen, Boland and Wallop,
regarding a [redacted] FY 1984 supplemental for INR.

STAT

2. Background: On 17 February, OMB forwarded an FY 1984 supplemental for
Department of State to the Congress for their approval. Contained within the
FY 1984 supplemental request [redacted] is [redacted] for
intelligence. As you may recall, for FY 1984 the Department of State
requested [redacted] new reporting and analysis positions ([redacted] of these for INR).
The Appropriations Committees cut the funds for these positions, but not the
positions. The FY 1984 supplemental will attempt to obtain funding for these
[redacted] positions and also to accelerate the funding of [redacted] reporting and analysis
positions which were to be requested in FY 1985 ([redacted] of these for INR).

Since only a portion of the overall State FY 1984 supplemental request
concerns a program within the NFIP, the letters to Congressmen Boland and
Wallop are deemed necessary to ensure they are advised of their jurisdictional
equities in this matter.

3. Recommendation: That you sign the attached letters.
